Attorneys for Plaintiffs and Class Members

UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA
WESTERN DIVISION

JED and ALISA BEHAR, individually and on behalf of all others similarly situated,

Plaintiffs,

v.

NORTHROP GRUMMAN CORPORATION AND NORTHROP GRUMMAN SYSTEMS CORPORATION,

Defendants

Case No. 21-cv-03946-HDV-SK

CLASS ACTION

PLAINTIFFS' SUPPLEMENT TO MOTION FOR FINAL SETTLEMENT APPROVAL

Hearing:
Date: November 12, 2026
Time: 10:00 a.m.
Place: Courtroom 5B, 5th Floor
350 W. 1st Street
Los Angeles, CA 90012
Judge: Hon. Hernán D. Vera

I. INTRODUCTION

Plaintiffs submit this Supplement to their Motion for Final Settlement Approval (ECF No. 435) to provide the updated claims data that the Motion stated would be submitted before the Final Approval Hearing. *See* ECF No. 435 at 24 & nn.6, 8. This Supplement is supported by the Supplemental Declaration of Rochelle J. Teichmiller ("Supp. A.B. Data Decl."), attached as Exhibit A.

The Class Administrator received 1,216 timely Claims, of which 1,126 have been approved, 16 are pending cure, and 74 were rejected as ineligible. Current owners of between 1,101 and 1,116 distinct Class Area properties—approximately one-third of the 3,294 eligible properties in the Class Area—will receive payment, depending on how many pending Claims are cured. In addition, between 25 and 26 former owners who owned a home within the Class Area as of July 1, 2024, but have since sold it will share in the $100,000 allocated to former owners, out of 169 former-owner properties on the Class List. Only seven Class Members requested exclusion, and no Class Member objected to the Settlement or to Class Counsel's fee application. Supp. A.B. Data Decl. ¶¶ 8–9, 11, 15.

Sixteen of the timely submitted Claims are "pending cure": each was timely submitted and is otherwise complete but is missing a single item the Class Administrator requested through follow-up—either adequate proof of ownership documentation or the claimant's verification that he or she is not an employee of Defendants. Supp. A.B. Data Decl. ¶ 15. The Class Administrator recommends that the Claimants who submitted these timely filed, yet deficient in some way, Claims be permitted to fully cure up through November 23, 2026, after which any uncured Claim would be rejected. Part III presents revised estimated payments both if all 16 pending Claims are cured and if none are. *See also* Part V.A below.

II. UPDATED CLAIMS DATA

When Plaintiffs filed the Motion on October 13, 2026, the Class Administrator had received 1,151 Claim Forms, 37 of which were still being audited, and additional timely submitted Claim Forms were expected. ECF No. 435-2 ¶ 19. The Class Administrator has since completed its audit and received 65 additional timely Claims, for a total of 1,216 timely Claims. Supp. A.B. Data Decl. ¶ 11. Those Claims fall into three categories:

Category	Claims
Approved	1,126
Pending cure	16
Rejected	74
Total	**1,216**

Id. ¶¶ 13–16. Of the rejected Claims, 39 were for ineligible properties and 35 were duplicates of Claims already submitted for the same property. *Id.* ¶ 16.

Because duplicate Claims were rejected, each eligible current-owner Claim corresponds to a different Class Area property. *Id.* ¶ 15. If all pending Claims are cured, eligible current-owner Claims will have been submitted for 1,116 of the 3,294 properties on the Class List (approximately 34%); if none are cured, that figure will be 1,101 (approximately 33%). *Id.* Eligible Claims were also submitted by former owners of 25 to 26 of the 169 former-owner properties on the Class List. *Id.*

This participation rate far exceeds rates that courts in this Circuit routinely approve. *See In re Online DVD-Rental Antitrust Litig.*, 779 F.3d 934, 941, 956 (9th Cir. 2015) (affirming approval with a 3.4% claims rate). Together with the absence of objections and the small number of exclusion requests, it confirms the Class's favorable reaction to the Settlement. *See* ECF No. 435 at 24, 31.

III. UPDATED ESTIMATED PAYMENTS

The Motion estimated per-home payments based on the 1,114 Claims that had then been sorted by claimant type (22 from former owners and 1,092 from current owners) and assumed administrative costs of $200,000. ECF No. 435 at 28–29 & n.7. Using the updated claims data and the administrative costs now requested (ECF No. 443), and otherwise applying the same assumptions as the Motion,[1] Class Counsel estimates the following per-home payments:

[1]These estimates assume that the Court approves (1) attorneys' fees of 40% of the Settlement Fund ($30,000,000); (2) litigation costs and expenses of $2,371,230.09; (3) service awards of $30,000 each to Jed and Alisa Behar; and (4) administrative costs of $232,491.51. *See* ECF Nos. 432, 443. On these assumptions, the Net Settlement Proceeds would be $42,336,278.40, of which $100,000 is allocated to eligible former owners and $42,236,278.40 is allocated among Sub-Areas A, B, and C (40%, 28%, and 32%, respectively). *See* Settlement Agreement § 4.4(b).

Claimant group	Estimate in Motion (ECF No. 435 at 29)	If all pending Claims are cured	If no pending Claims are cured
Current owners, Sub-Area A	$56,736.60 (298 Claims)	$55,574.05 (304 Claims)	$56,315.04 (300 Claims)
Current owners, Sub-Area B	$46,231.47 (256 Claims)	$46,377.09 (255 Claims)	$46,929.20 (252 Claims)
Current owners, Sub-Area C	$25,141.28 (538 Claims)	$24,265.01 (557 Claims)	$24,618.60 (549 Claims)
Former owners	$4,545.45 (22 Claims)	$3,846.15 (26 Claims)	$4,000.00 (25 Claims)

See Supp. A.B. Data Decl. ¶ 15. These figures remain estimates. Actual payments will depend on the Court's rulings on attorneys' fees and costs, service awards, and administrative costs, and on the final number of valid Claims, including any late Claims the Court may accept (*see* Part V.B below).

IV. ADMINISTRATIVE COSTS

As explained in Plaintiffs' Notice of Filing Declaration of Class Administrator Regarding Administrative Costs (ECF No. 443), the Class Administrator requests $232,491.51 for Administrative Costs. This is a slight increase over the originally anticipated amount of $200,000. The increase is primarily attributable to expanded notice and outreach efforts—including reminder emails, the reminder postcard, and a door-hanger campaign—and to Class Counsel's request that, due to the size of the distribution checks, they be sent by certified mail ***with*** signature confirmation. ECF No. 443 at 3; ECF No. 443-2 ¶ 3. The updated payment estimates in Part III reflect this amount.

V. CLAIMS PENDING CURE AND LATE CLAIMS

A. Claims Pending Cure

Sixteen timely Claims are otherwise complete but are each missing one item requested through the Class Administrator's deficiency outreach efforts thus far: ten lack adequate proof of ownership, and six lack the required verification that the claimant is not an employee of Defendants. Supp. A.B. Data Decl. ¶ 15. For each of the ten Claims missing adequate proof of ownership, the claimant's name and property address match Los Angeles County Assessor records, and thus these claims appear to have been submitted by valid Settlement Class Members. *Id.* The Class Administrator recommends that these claimants be given through November 23, 2026, to cure, after which any uncured Claim will be rejected. *Id.* Plaintiffs

therefore request that the Final Order adopt that deadline and direct the Class Administrator to calculate awards only after the cure period ends, because each Sub-Area's per-home payment depends on the final number of approved Claims in that Sub-Area. If the Court declines to permit cure, these sixteen Claims would be rejected, and the "no pending Claims cured" estimates in Part III would apply.

B. Late Claims

After the October 10, 2026 claims deadline, the Class Administrator received nine Claim Forms—three by mail, postmarked October 26, 28, and 30, 2026, and six by email—each signed after the deadline. Supp. A.B. Data Decl. ¶ 17. Each claimant matches a Settlement Class Member on the Class List and provided acceptable proof of ownership, although two of the nine Claim Forms lack the employment verification. *Id.* Section 6.4(a) of the Settlement Agreement required Claims to be submitted within 60 days after the postmark date of the Settlement Notice, or October 10, 2026. The Class Administrator has not included these Claims in the totals reported above and will process them as the Court directs. Supp. A.B. Data Decl. ¶ 17.

Whether to accept late claims in a class settlement is committed to the Court's discretion. *See Schmitt v. Kaiser Foundation Health Plan of Wash.*, No. 2:17-cv-1611-RSL, 2024 WL 1676754, at *7 (W.D. Wash. Apr. 18, 2024) (citing *Silber v. Mabon*, 18 F.3d 1449, 1454 (9th Cir. 1993)) (holding that Courts have equitable authority to permit the inclusion of late filed claims); *In re Gypsum Antitrust Cases*, 565 F.2d 1123, (9th Cir. 1977) ("[T]he district court had discretion to grant late claims."). Plaintiffs bring these Claims to the Court's attention so that it may decide, after hearing from the Parties at the Final Approval Hearing, whether to accept them.

Separately, after the claims deadline, the Class Administrator received one mailed Claim Form, signed October 8, 2026, that bore no legible postmark. Because nothing indicates it was mailed after the deadline, the Class Administrator has treated it as timely and included it among the Claims pending cure. Supp. A.B. Data Decl. ¶ 18.

VI. CONCLUSION

For the reasons stated in the Motion and in this Supplement, Plaintiffs respectfully request that the Court (1) enter a Final Order and Final Judgment granting final approval of the Settlement; (2) allow Claimants whose timely-filed Claims are pending cure through November 23, 2026, to cure the identified

deficiencies; (3) direct the Class Administrator on whether or not to accept the late filed claims; and (4) grant such other and additional relief as the Court may deem appropriate.

UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA
WESTERN DIVISION

JED and ALISA BEHAR, individually and on behalf of all others similarly situated, Plaintiffs, v. NORTHROP GRUMMAN CORPORATION AND NORTHROP GRUMMAN SYSTEMS CORPORATION, Defendants	Case No. 2:21-cv-03946-HDV-SK CLASS ACTION **SUPPLEMENTAL DECLARATION OF ROCHELLE J. TEICHMILLER ON IMPLEMENTATION OF NOTICE PLAN AND DUE DILIGENCE**

I, Rochelle J. Teichmiller, declare:

1. I am a Senior Project Manager at the Class Action Notice and Settlement Administration Division of A.B. Data, Ltd. ("A.B. Data"), a company headquartered in Milwaukee, Wisconsin. I am over 21 years of age and am not a party to the above-captioned action (the "Action").

2. I submit this declaration at the request of Class Counsel in this Action. This declaration is based upon my personal knowledge and information provided by the Parties and A.B. Data staff members.

3. My previous declaration, the *Declaration of Rochelle J. Teichmiller on Implementation of Notice Plan and Due Diligence*, dated October 13, 2026 (ECF No. 435-2) ("Mailing Declaration"), described the implementation of the Notice Plan for the Settlement in this litigation. The Court approved the Notice Plan and appointed A.B. Data as Class Administrator on July 28, 2026 (ECF No. 425).

4. This declaration supplements the Mailing Declaration and contains relevant updates on items in the Notice Plan.

UPDATE ON THE SETTLEMENT WEBSITE

5. On August 11, 2026, A.B. Data established the case-specific website, www.CanogaParkClassAction.com. A.B. Data continues to maintain the website, which informs Settlement Class Members about the Action and Settlement, hosts copies of relevant case documents, and

provides answers to frequently asked questions.

6. A.B. Data will maintain this website until the Effective Date set forth in the Settlement Agreement and will continue to post relevant pleadings and orders to the website. As of November 5, 2026, there have been 6,834 unique visitors to the website.

UPDATE ON TOLL-FREE TELEPHONE NUMBER

7. On August 11, 2026, A.B. Data established the case-specific toll-free telephone number with an automated interactive voice response ("IVR") system to address callers' questions and provide additional information about the Settlement in both English and Spanish. In addition to pre-recorded information, callers have been able to leave voicemail messages, and their calls have been returned by A.B. Data. Callers who left messages in Spanish have had their calls returned by an A.B. Data representative who speaks Spanish. As of November 5, 2026, there have been 882 calls to the toll-free telephone number, and A.B. Data has received and returned 541 phone messages.

UPDATE ON EXCLUSION AND OBJECTION REQUESTS

8. The deadline for Settlement Class Members to request exclusion was September 25, 2026. As of October 13, 2026, A.B. Data had received seven (7) timely exclusion requests from the owners of four (4) individual Class Area properties. No additional exclusion requests have been submitted since that date.

9. The deadline for Settlement Class Members to object to the Settlement was September 25, 2026. As of November 5, 2026, A.B. Data has neither received nor been made aware of any objections.

UPDATE ON CLAIMS ADMINISTRATION

10. The Settlement Class is defined as: all persons who own a single-family home or townhome within the Class Area as of the date of notice of the settlement, as well as all persons who owned a single-family home or townhome within the Class Area as of July 1, 2024, but who have since sold their single-family homes or townhomes as of the date of notice of the settlement, excluding employees of Defendants. The Class Area and eligible Class Area properties are depicted via color shading on the "Class Area Map" which was approved for distribution to Settlement Class Members by the Court. *See* ECF No. 428-1 at 3; ECF No. 429. A list of eligible Class Area properties, identifying the sub-area in which each property is located, was posted on the settlement website and is attached hereto as Exhibit 1.

11. Settlement Class Members were required to submit a properly executed Claim Form, by mail or online, by October 10, 2026. As further described in the Mailing Declaration, A.B. Data reported that, as of October 13, 2026, it had received 1,151 Claim Forms, including 22 submissions from former property owners (out of the 169 former property owner addresses on the Class List) and 1,092 submissions from current property owners (approximately 33% of the 3,294 current property owner addresses on the Class List). ECF No. 435-2 ¶ 19. The remaining 37 Claims required further auditing to determine the Claimants' status. A.B. Data has since completed that review and has received 65 additional Claims that were timely postmarked or were submitted online by the October 10, 2026 deadline. Therefore, the total number of timely Claims received as of the date of this Declaration is 1,216, consisting of 26 submissions identifying as former property owners and 1,190 submissions identifying as current property owners.

12. A.B. Data identified several Claims requiring additional review and document supplementation. A substantial portion of the claims administration process involved communicating with Claimants to provide them with an opportunity to cure any deficiencies with the submitted materials. This "Deficiency Process" primarily consisted of mailing or emailing deficiency notifications to Claimants and conducting follow-up communications by telephone and email to assist Claimants in addressing outstanding deficiencies. The purpose of this process was to help Claimants properly complete their submissions and establish their eligibility to receive a distribution from the Net Settlement Proceeds. Common deficiencies included failing to provide a social security number or Tax ID on the Claim Form, failure to include adequate proof of ownership documentation, or failing to respond to a portion of the Claim Form. Deficiency notifications were sent to Claimants whose Claims required additional review, and A.B. Data requested that Claimants cure these deficiencies by October 30, 2026.

13. A.B. Data has reviewed all 1,216 timely Claim Forms received. Each Claim falls into one of three categories:

Category	Claims
Approved	1,126
Pending cure	16
Rejected	74
Total	**1,216**

14. **Approved Claims.** 1,126 Claims are complete and have been approved as eligible for payment from the Net Settlement Proceeds.

15. **Claims Pending Cure.** 16 Claims are otherwise complete but are missing one item that was requested through the Deficiency Process and not yet received as of the date of this Declaration:

a. 10 Claimants have not yet provided adequate proof of ownership documents. The names and property addresses on each of these Claim Forms match the ownership information for that property obtained from the Los Angeles County Assessor, so these Claims appear to have been submitted by valid Settlement Class Members.

b. Six (6) Claimants did not answer the question on the Claim Form asking them to verify, under penalty of perjury, that they are not employees of Defendants. Their Claim Forms and proof of ownership are otherwise in order.

A.B. Data recommends that these 16 Claimants be given until November 23, 2026, to provide the missing information, and it will continue to follow up with each of them. Any Claim not cured by that date will be rejected. If all 16 pending Claims are cured, there will be 1,142 eligible Claims, consisting of 26 former property owners and 1,116 current property owners, with the current owner claims distributed across Sub-Area A (304), Sub-Area B (255), and Sub-Area C (557) of the Class Area. If none of these pending Claims are cured, there will be 1,126 eligible Claims, consisting of 25 former property owners and 1,101 current property owners, with the current owner claims distributed across Sub-Area A (300), Sub-Area B (252), and Sub-Area C (549) of the Class Area. Because duplicate Claims for the same property have been rejected (see ¶ 16(b)), each eligible current-owner Claim corresponds to a different Class Area property.

If all pending Claims are cured, eligible current-owner Claims will have been submitted for 1,116 of the 3,294 properties on the Class List (approximately 34%); if none are cured, that figure will be 1,101 (approximately 33%).

16. **Rejected Claims.** A.B. Data rejected 74 Claims as ineligible.

a. 39 of these Claims did not satisfy the Class Definition, for example because the property was outside the Class Area or was not an included property type.

b. 35 Claims were duplicates of Claims already submitted for the same property. Rejecting them does not reduce the number of Settlement Class Members who will receive payment.

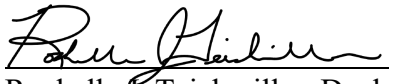

17. **Late Claims**. After the October 10, 2026 claims deadline, A.B. Data received three (3) Claim Forms by mail bearing postmarks of October 26, October 28, and October 30, 2026, and six (6) Claim Forms by email, received between October 19, 2026, and October 28, 2026. Each was signed after the deadline. Each claimant's Unique ID matches a Settlement Class Member on the Class List, and each provided acceptable proof of ownership, although two of the nine Claim Forms lack the employment verification required by the Claim Form. Under Section 6.4(a) of the Settlement Agreement, Claims were due no later than 60 days after the postmark date of the Settlement Notice, or October 10, 2026. A.B. Data has not included these nine Claims in the totals reported above and will process them as the Court directs.

18. Separately, after the claims deadline, A.B. Data received, by mail, one Claim Form signed on October 8, 2026 that bore no legible postmark. Because nothing indicates it was mailed after the deadline, A.B. Data has treated it as timely and included it among the Claims pending cure for missing employment verification (and is one of the six Claims described in Paragraph 15(b)).

19. A.B. Data has not detected any fraudulent Claims or Claims filed by claims aggregators.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 5th day of November 2026, in Milwaukee, Wisconsin.

Rochelle F. Teichmiller, Declarant
