Case No. 2:21-cv-03946-HDV-SK

CLASS ACTION

SECOND SUPPLEMENTAL DECLARATION OF ROCHELLE J. TEICHMILLER REGARDING CLAIMS ADMINISTRATION

I, Rochelle J. Teichmiller, declare:

1. I am a Senior Project Manager at the Class Action Notice and Settlement Administration Division of A.B. Data, Ltd. ("A.B. Data"), a company headquartered in Milwaukee, Wisconsin. I am over 21 years of age and am not a party to the above-captioned action (the "Action").

2. I submit this declaration at the request of Class Counsel in this Action. This declaration is based upon my personal knowledge and information provided by the Parties and A.B. Data staff members.

3. I previously submitted the *Declaration of Rochelle J. Teichmiller on Implementation of Notice Plan and Due Diligence*, dated October 13, 2026 (ECF No. 435-2) ("Mailing Declaration"), and the *Supplemental Declaration of Rochelle J. Teichmiller on Implementation of Notice Plan and Due Diligence*, dated November 5, 2026 (ECF No. 446-1) ("Supplemental Declaration"). Capitalized terms not defined here have the meanings given in those declarations.

4. This declaration provides the Court with updated information on (a) the timely Claims

that were pending cure as of the Supplemental Declaration and (b) three (3) additional late Claims that A.B. Data received since the filing of the Supplemental Declaration.

UPDATE ON CLAIMS PENDING CURE

5. As described in the Supplemental Declaration, as of November 5, 2026, 16 timely Claims were otherwise complete but were missing one item requested through the Deficiency Process: 10 Claimants had not yet provided adequate proof of ownership, and six (6) Claimants had not verified that they are not employees of Defendants. Supplemental Declaration ¶ 15.

6. Since the Supplemental Declaration, A.B. Data has continued to follow up with each of these Claimants. As of the date of this declaration, two (2) of the 16 Claimants have provided the missing item:

a. one (1) of the 10 Claimants who had not provided adequate proof of ownership has now provided acceptable proof of ownership; and

b. one (1) of the six (6) Claimants who had not completed the employment verification has now verified, under penalty of perjury, that they are not employees of Defendants.

7. The remaining 14 Claims are still missing the requested item: nine (9) lack adequate proof of ownership and five (5) lack the employment verification. A.B. Data will continue to follow up with these Claimants. Consistent with A.B. Data's recommendation in the Supplemental Declaration, if the Court permits cure, any Claim not cured by November 23, 2026, or such other date as the Court may set, will be rejected. Supplemental Declaration ¶ 15.

8. No additional Claims have been rejected since the Supplemental Declaration.

Accordingly, the status of the 1,216 timely Claims as of the date of this declaration is as follows:

Category	**As of November 5, 2026 (Supp. Decl. ¶ 13)**	**As of November 10, 2026**
Approved	1,126	1,126
Pending cure: missing item now provided	—	2
Pending cure: still missing item	16	14
Rejected	74	74
Total	**1,216**	**1,216**

ADDITIONAL LATE CLAIMS

9. The Supplemental Declaration described nine (9) Claim Forms that A.B. Data received after the October 10, 2026 claims deadline. Supplemental Declaration ¶ 17. Since the filing of the Supplemental Declaration, A.B. Data has received three (3) additional Claim Forms by mail and email. All three Claim Forms were signed after the claims deadline. These Claims were not reflected in the Supplemental Declaration.

10. These late Claims are complete. The Claimants' Unique IDs match Settlement Class Members on the Class List; the Claimants provided acceptable proof of ownership; and the Claimants verified, under penalty of perjury, that they are not employees of Defendants. The Claims were submitted by current property owners for one (1) property in Sub-Area A and for two (2) properties in Sub-Area C. A.B. Data has confirmed that no other Claim, timely or late, has been submitted for the same property.

11. Including these Claims, A.B. Data has received twelve (12) Claim Forms after the claims deadline. Of these twelve late Claims, ten (10) are complete and two (2) lack the employment

verification required by the Claim Form. The twelve late Claims were submitted by current property owners, for properties in Sub-Area A (5), Sub-Area B (4), and Sub-Area C (3).

12. As with the other late Claims, A.B. Data has not included these Claims in the totals reported above and will process the late Claims as the Court directs.

13. A.B. Data has not detected any fraudulent Claims or Claims filed by claims aggregators.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 10th day of November 2026, in Milwaukee, Wisconsin.

Rochelle J. Teichmiller, Declarant
