JED and ALISA BEHAR, individually and on behalf of all others similarly situated, Plaintiffs, v. NORTHROP GRUMMAN CORPORATION AND NORTHROP GRUMMAN SYSTEMS CORPORATION, Defendants	Case No. 21-cv-03946-HDV-SK CLASS ACTION **PLAINTIFFS' NOTICE OF FILING DECLARATION OF CLASS ADMINISTRATOR REGARDING ADMINISTRATIVE COSTS** **Hearing:** Date: November 12, 2026 Time: 10:00 a.m. Place: Courtroom 5B, 5th Floor 350 W. 1st Street Los Angeles, CA 90012 Judge: Hon. Hernán D. Vera

PLAINTIFFS' NOTICE OF FILING DECLARATION OF CLASS ADMINISTRATOR REGARDING ADMINISTRATIVE COSTS

TO THE COURT, ALL PARTIES, AND THEIR COUNSEL OF RECORD:

PLEASE TAKE NOTICE that, pursuant to Section 4.3(a) of the Settlement Agreement and the Court's Preliminary Approval Order (ECF No. 425 ¶¶ 13, 32), Plaintiffs hereby submit the Declaration of Rochelle J. Teichmiller on Administrative Costs, attached as Exhibit A (the "A.B. Data Declaration").

As set forth in the A.B. Data Declaration, A.B. Data, Ltd., the Court-appointed Class Administrator, has incurred $167,035.63 in fees and costs through October 29, 2026, including its estimate of October 2026 fees and costs not yet invoiced. A.B. Data estimates that an additional $65,455.88 will be necessary to complete administration of the Settlement, including the initial distribution, one redistribution of any uncashed checks, and any cy pres distribution. Plaintiffs and A.B. Data therefore request that the Court authorize $232,491.51 in administrative costs to be paid from the Settlement Fund. Ex. A ¶¶ 5–6, 10. That amount represents approximately 0.31% of the $75,000,000

Settlement Fund.

The requested administrative costs slightly exceed the $200,000 estimated at preliminary approval. *See* ECF No. 408 at 35 n.5. The increase is primarily attributable to expanded notice and outreach efforts designed to maximize class participation. These included reminder emails, the reminder postcard required by the Preliminary Approval Order (ECF No. 425 ¶ 23), and a door-hanger campaign in the Class Area. In addition, because of the size of the individual settlement payments, Class Counsel has asked A.B. Data to send distribution checks by certified mail *with* signature confirmation to ensure they reach the intended recipients, which increases postage costs. *See* Settlement Agreement § 6.8(b) (requiring settlement checks to be mailed via certified mail, but not specifying a signature requirement); Ex. B. ¶ 3.

Because the Settlement Fund will not be funded until after the Effective Date (Settlement Agreement § 6.8(a)), The Lanier Law Firm, P.C. has paid A.B. Data's invoices as they have come due, totaling $118,726.09 to date. Plaintiffs and A.B. Data request that The Lanier Law Firm be reimbursed from the approved administrative costs for all amounts it has paid or will pay to A.B. Data, with the remainder paid to A.B. Data directly. Ex. A ¶¶ 9–10.

Plaintiffs also submit the Declaration of Ryan D. Ellis, attached as Exhibit B. It confirms that none of The Lanier Law Firm's payments to A.B. Data are included in the litigation costs and expenses requested in Plaintiffs' Motion for Award of Attorneys' Fees, Litigation Expenses, and Class Representative Service Awards (ECF No. 432), so there is no double counting.

Plaintiffs respectfully request that the Court approve administrative costs of $232,491.51, to be paid from the Settlement Fund as described above, in connection with final approval of the Settlement at the November 12, 2026 Final Approval Hearing.

UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA
WESTERN DIVISION

JED and ALISA BEHAR, individually and on behalf of all others similarly situated, Plaintiffs, v. NORTHROP GRUMMAN CORPORATION AND NORTHROP GRUMMAN SYSTEMS CORPORATION, Defendants	Case No. 2:21-cv-03946-HDV-SK CLASS ACTION **DECLARATION OF ROCHELLE J. TEICHMILLER ON ADMINISTRATIVE COSTS** Hearing: Date: November 12, 2026 Time: 10:00 a.m. Place: Courtroom 5B, 5th Floor 350 W. 1st Street Los Angeles, CA 90012 Judge: Hon. Hernán D. Vera

I, Rochelle J. Teichmiller, declare:

1. I am a Senior Project Manager at the Class Action Notice and Settlement Administration Division of A.B. Data, Ltd. ("A.B. Data"), a company headquartered in Milwaukee, Wisconsin. I am over 21 years of age and am not a party to the above-captioned action (the "Action").

2. I submit this declaration in accordance with the Court's *Amended Order Certifying Settlement Class, Preliminarily Approving Class Action Settlement, and Approving the Form and Manner of Notice* (the "Preliminary Approval Order," ECF No. 425), which appointed A.B. Data as Class Administrator. This declaration is based upon my personal knowledge and information provided by the Parties and A.B. Data staff members.

3. My previous declaration, the *Declaration of Rochelle J. Teichmiller on Implementation of Notice Plan and Due Diligence*, dated October 13, 2026 (ECF No. 435-2), described the implementation of the Notice Plan for the proposed Settlement in this litigation, and is incorporated here by reference.

4. This declaration sets forth information regarding the administrative costs that A.B. Data has incurred to date, as well as those estimated to complete the administration of the Settlement.

5. A.B. Data has provided Class Counsel with invoices for the notice and claims administration work performed in this Action. As of October 29, 2026, A.B. Data has incurred fees and

costs in the amount of $167,035.63.[1] These tasks included, among other things: disseminating notice and reminder notices to potential Settlement Class Members by mail and email; advertising through print, digital, and social media; distributing door hangers; and establishing, updating, and maintaining the case-specific website. A.B. Data also maintained a toll-free telephone number with an automated interactive voice response system and an email inbox to address inquiries, communicated with potential Settlement Class Members via phone and email, processed exclusion requests, received and reviewed Claim Forms and supporting documents to confirm claimant eligibility, provided other claims administration services, and oversaw and managed the project.

6. Should the Court grant final approval of the Settlement, A.B. Data estimates that an additional $65,455.88 in fees and costs will be necessary to complete the administration through the initial distribution, one redistribution of any uncashed checks, and a potential cy pres distribution of any unclaimed amounts remaining after redistribution in accordance with the Settlement Agreement. This estimate is based on A.B. Data's experience, but the final administrative costs could change based on the actual circumstances, such as any out-of-scope work encountered during the claims process. A.B. Data will continue to strive to keep costs down whenever possible and will provide updated estimates of administration costs to Class Counsel and the Court should the cost of administration differ from the estimates provided.

7. A summary and itemized breakdown of administrative costs incurred and expected is attached to this declaration as Exhibit 1.

8. A.B. Data has extensive experience administering class action settlements and designing and implementing class action notice plans. A.B. Data's work includes notification, claims processing, and distribution plans in all types of class actions, including environmental/contamination, property damage matters, consumer, antitrust, employment, civil rights, insurance, wage and hour, securities, ERISA, and other class actions. *See, e.g., Meeker, et al. v. Bullseye Glass Co.,* Civil Action No. 16CV07002 (Or. Cir. Ct. Multnomah County); *Resendez, et al. v. Precision Castparts Corp. and PCC*

[1] This amount includes A.B. Data's estimate of fees and costs for October 2026, which have not yet been finalized and invoiced.

Structurals, Inc., Civil Action No. 16CV16164 (Or. Cir. Ct. Multnomah County); *Lavigne, et al. v. Herbalife, No. 2:18-cv-07480-JAK* (MRWx) (C.D.Cal.); and *Donley v. Live Nation Entertainment, Inc.*, Case No. 2:23-cv-06343-KK (ASx) (C.D. Cal.). Based on A.B. Data's extensive experience, the administrative costs incurred to date and the additional administrative costs expected to be incurred are fair and reasonable.

9. The Lanier Law Firm, P.C., one of the firms appointed as Class Counsel, has paid certain of A.B. Data's invoices for notice and administration work that A.B. Data has already performed, so that the Notice Plan and claims administration could proceed before the Settlement Fund is funded. A.B. Data anticipates that The Lanier Law Firm will continue to pay A.B. Data's invoices for work performed until the Settlement Fund is funded. As of the date of this declaration, The Lanier Law Firm has paid A.B. Data $118,726.09, in administrative costs. A copy of the invoices that The Lanier Law Firm has paid for class administration to date is attached as Exhibit 2.

10. Therefore, I respectfully request that the Court authorize $232,491.51 in administrative costs, consisting of fees and costs incurred to date and the estimated additional fees and costs described in Paragraph 6 to be paid from the Settlement Fund in accordance with the Settlement Agreement. I further request that The Lanier Law Firm be reimbursed from this amount for all amounts it has paid or will pay to A.B. Data for class administration in this Action, with the remaining amount to be paid to A.B. Data directly.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 29th day of October 2026, at Milwaukee, Wisconsin.

Rochelle J. Teichmiller, Declarant

UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA
WESTERN DIVISION

JED and ALISA BEHAR, individually and on behalf of all others similarly situated, Plaintiffs, v. NORTHROP GRUMMAN CORPORATION AND NORTHROP GRUMMAN SYSTEMS CORPORATION, Defendants	Case No. 21-cv-03946-HDV-SK CLASS ACTION **DECLARATION OF RYAN D. ELLIS REGARDING CLASS ADMINISTRATION COSTS** **Hearing:** Date: November 12, 2026 Time: 10:00 a.m. Place: Courtroom 5B, 5th Floor 350 W. 1st Street Los Angeles, CA 90012 Judge: Hon. Hernán D. Vera

DECLARATION OF RYAN D. ELLIS REGARDING CLASS ADMINISTRATION COSTS

I, Ryan D. Ellis, declare as follows:

1. I am an attorney admitted *pro hac vice* in this action, a Senior Attorney at The Lanier Law Firm, P.C. ("Lanier"), and one of the attorneys appointed as Class Counsel. I have personal knowledge of the facts set forth herein, and if called as a witness, I could and would testify competently thereto.

2. I submit this declaration in support of Plaintiffs' Notice of Filing Declaration of Class Administrator Regarding Administrative Costs. I submit it to confirm that the amounts Lanier seeks to be reimbursed under the Declaration of Rochelle J. Teichmiller on Administrative Costs (the "A.B. Data Declaration") are not included in the litigation costs and expenses Lanier requested in Plaintiffs' Motion for Award of Attorneys' Fees, Litigation Expenses, and Class Representative Service Awards (ECF No. 432) (the "Fee Motion").

3. Settlement administration costs were previously estimated at approximately $200,000. *See* ECF No. 408 at 35 n.5. Based upon my communications with A.B. Data and my involvement in overseeing the notice program, the administrative costs now requested slightly exceed that estimate primarily because: (1) A.B. Data undertook expanded notice and outreach efforts at Class Counsel's and the Court's request to maximize class participation, including reminder emails, reminder postcards, and a door-hanger campaign in the class area; (2) because of the size of the individual settlement payments, Class Counsel has asked A.B. Data to send

distribution checks by certified mail *with signature confirmation*, to ensure they reach the intended recipients and to reduce the risk of lost, stolen, or misdirected checks, increasing the postage costs for settlement distribution beyond the original estimates; and (3) the Notice Packet was larger than originally anticipated (34 pages instead of the estimated 20) to provide full information to Settlement Class Members regarding the settlement and their options in both English and Spanish, thus incurring higher postage costs than originally anticipated.

4. In support of the Fee Motion, I submitted a declaration dated September 4, 2026 (ECF No. 432-1). In it, Lanier requested $2,242,417.72 in unreimbursed costs and expenses incurred through September 3, 2026, summarized by category in Table 3. ECF No. 432-1 ¶ 43.

5. Table 3 includes a line item titled "Class Notice & Administration (incl. 2025 post-certification notice)," in the amount of $43,909.44. That amount relates to notice provided to the certified litigation class under the Court's March 27, 2025 Order Granting Joint Stipulation re Class Notice and Distribution Plan (ECF No. 230). That notice was administered by Verita Global ("Verita"), a different administrator from A.B. Data, Ltd. ("A.B. Data"). No portion of the $43,909.44 was paid to A.B. Data.

6. As stated in my prior declaration, the costs of settlement notice and administration performed by A.B. Data are separate from the litigation costs requested in the Fee Motion, and Lanier did not include its payments to A.B. Data in that request. ECF No. 432-1 ¶¶ 47–48.

7. The timing of Lanier's payments to A.B. Data confirms this. The costs requested in the Fee Motion are limited to those incurred through September 3, 2026. As reflected in Exhibit 1 to the A.B. Data Declaration, Lanier paid each of A.B. Data's invoices between September 26, 2026 and October 27, 2026, totaling $118,726.09. Regardless of invoice date, none of A.B. Data's invoices is included in the costs requested in the Fee Motion.

8. Accordingly, there is no overlap between the litigation costs and expenses requested in the Fee Motion and the amounts for which Lanier seeks reimbursement under the A.B. Data Declaration. Lanier will seek reimbursement of its payments to A.B. Data only from the administrative costs the Court approves for payment from the Settlement Fund.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on October 29, 2026, at Austin, Texas.
